SUBJECT: Curb Address Painting within the City of Glendora

The City of Glendora has authorized a non-profit organization, Care for the Children, to paint all residential address numbers on all public street curbs within the City. This contract requires that the numbers be painted in accordance with the City's specifications: 4" black numbers on white background on the vertical face of the curb only.

Care for the Children estimates the value of this service at $15.00 for each address. Since the City does not pay Care for the Children for this service, Care for the Children will be accepting voluntary donations from residents *after* the work is completed. **You are not required to pay for this service. Donations are strictly voluntary.** Curbs will be painted regardless of donations given.

Donations will be requested only after completion of work, and may be made in cash or by check payable to Care for the Children. You may also mail your donation by check to Care for the Children at P.O. Box 3144, Whittier, California 90605. Please do not mail cash.

If you have any complaints or were missed and want your curb number painted, please contact Care for the Children at (888) 227-3801.

Authorization by the City for this non-profit entity is not an endorsement by the City or its officials. The Glendora Municipal Code allows non-profit groups to undertake this task as a fundraising opportunity, as long as the work meets the City standards and the work adheres to the provisions of the contract. Residents are not required to pay for this service, but will be asked to make a nominal voluntary donation.

If you are not satisfied with the service provided by Care for the Children, please call the City of Glendora's Public Works Department at (626) 914-8246.

David A. Davies
Director of Public Works
