## JOE SANTORO

**Age**: 67

Occupation: College Dean and Retired Police Chief

My wife Jeannie and I are 17 year resident of Glendora.

<u>COMMUNITY SERVICE</u>: In 2006 I lead the fight as Chairman of the Citizens Committee to Protect Glendora "Vote NO on Measure A Campaign" to defeat a well financed out of state developer with plans to tear up and destroy our foothills and historic country club golf course.

We were able to unite and educate the citizens of Glendora on the true plans the developer had that would have exempted him from Glendora's Zoning Codes, Building Codes, Hillside Development Ordinance, City Oversight and Environmental Safeguards. Because of the Committees work the Citizens DEFEATED Measure A with resounding 92 % NO vote.

I was also a founding Board Member of the Boys and Girls Club of the Foothills, Past Board Member of the Santa Anita YMCA, and Past Advisory Board Member Foothill Unity Center.

**EDUCATION:** Master Degree in Public Administration USC; BS in Criminal Justice Administration Cal State Los Angeles.

<u>MY PLEDGE</u>: As in Measure "A", I pledge to work hard and serve with integrity, openness and fairness on all matters that come before the City Council.
