### MARGINAL FUNCTIONS

These are position functions which may be changed, deleted or reassigned to accommodate an individual with a disability.

### QUALIFICATIONS GUIDELINES

Education and/or Experience *Any combination of education and experience that would likely provide the required knowledge and abilities is qualifying. A typical way to obtain the knowledge and abilities would be:*

A Bachelor's degree or equivalent with major work in public administration, planning, urban design, architecture, business administration or closely related field, plus five years of increasingly responsible professional experience in local general purpose government planning and community development, including three years in a supervisory capacity is required. A master's degree in public administration, planning, business administration or related field and certification from the American Institute of Planning is desirable.

#### Knowledge and Skill Levels

Thorough knowledge of the theories, principles, goals, objectives, procedures, practices, law, and trends in the field of planning, zoning, subdivisions and environmental analysis, as well as recent legal developments in the field of planning and zoning; considerable knowledge of the methods, plans, systems, forms, maps and tools common to a land use planner's work, and sources of information and agencies that may be utilized in conducting research and addressing planning matters; working knowledge of office management and principles of supervision.

Special Requirements

Possession of or ability to obtain a Class C California driver's license and a satisfactory driving record.

PHYSICAL DEMANDS AND WORKING ENVIRONMENT

*The conditions herein are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential job functions.*

Environment: Work is performed primarily in a standard office setting. Duties are typically performed at a desk or computer terminal; subject to noise from office equipment operation; frequent interruptions and contact in person and on the telephone with a variety of City staff and others. At least minimal environmental controls are in place to assure health and comfort.

Physical: Primary functions require sufficient physical ability and mobility to work in an office setting; to stand or sit for prolonged periods of time; to operate office equipment requiring repetitive hand movement and fine coordination including use of a computer keyboard; and to verbally communicate to exchange information.

Vision: See in the normal visual range with or without correction.

Hearing: Hear in the normal audio range with or without correction.

*Employee Association: Glendora Management Association (GMA)*
