Addendum - Village Tree Well RFP

Mandatory Meeting held on December 23, 2013

- 1. Are any applications/electrical boxes installed anywhere else in the city?
 - A). Yes, but not of this specific type.
- 2. Are the new electrical boxes based on the existing conduit?
 - A). Yes
- 3. Can you please let me know the Engineer Estimate for this Project?
 - A). \$25,000
- 4. Is certified payroll required?
 - A). No, but prevailing wage must be used.
- 5. Is an Encroachment Permit required?
 - A). Encroachment and Electrical permits are required and may be obtained through the City at no fee.
- 6). Are the details for the cement pad in the RFP packet?
 - A). Yes, page 5 and 6.
- 7.) Are the current conduits plastic?
- A). Yes, we believe they is, however the exposed portion is metal. PVC may be used instead of galvanized pipe.
- 8). Is the timeline for installation in the RFP packet?
 - A). Yes, the projected start date is mid-February and the project should be complete by the end of March 2014.
- 9). The Midwest M57POST24G1 Nema 3R (N) is no longer manufactured what is an accepted replacement.
- A). It has come to my attention that the product was no longer available as of November 4, 2013. Please provide the specifications for an "equal" product.
- 10). Can you please let me know the Engineer Estimate for the above Project.
 - A). \$25,000.
